HIGH PERFORMANCE PRESSURE MEASUREMENTS ON YOUR PC

Accurate pressure measurements are more critical now than ever. Increase your diagnostic accuracy by viewing live pressure readings in Gauge (Analog & Digital) and Waveform formats all at once on your PC. It's like using an oscilloscope and gauge to measure dynamic pressures at the same time.

Simple point and click operation

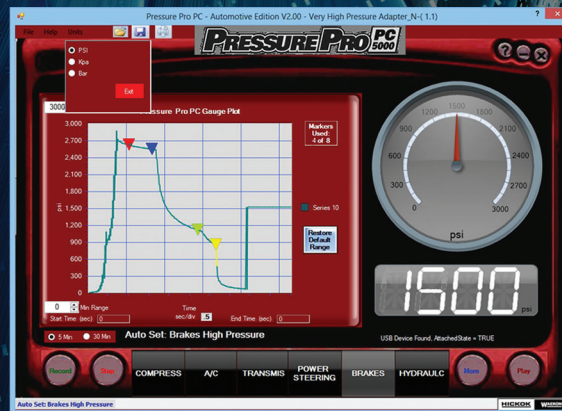

12 Preset pressure ranges

Live data displayed in waveform and gauge formats

Sample Rate: 1000 sample/sec.

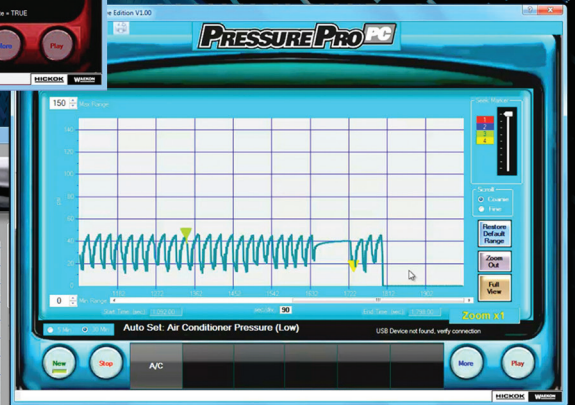

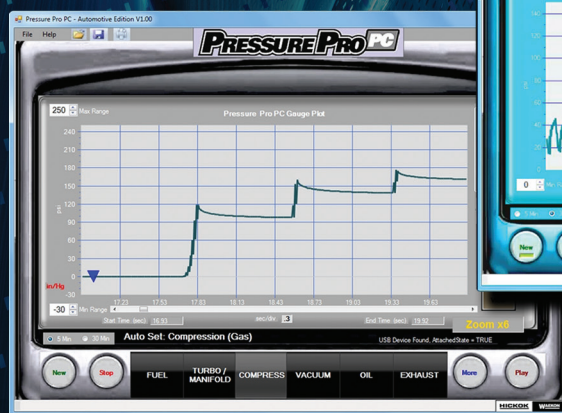

Record, Save, and Playback up to 30 minutes of data

Set markers during recording to locate specific symptoms

Zoom and Pan features for in-depth analysis

Measures in psi, Bar or Kpa
